Meeting notes (no quorum)

Lissa, Lex and Steve R via zoom

Reviewed map updates with Steve R -

- Met with Loren to discuss new proposed location for bulk storage
- Discussed removal of knotweed to clear lower area for storage, possibly re-building the lower driveway access thru flat area now covered in knotweed
- Noted that the utility poles just dead end, not sure if live, assume so, at some point check with CMP
- Would need to cordon off DPW area
- Sequencing still TBD
- Loren ok with general plan
- If folks crossing 137 for trail, need traffic calming actions, cross walk, need to check with HTS on proper access points.
- Lissa will check with Truner at KVCOG re: larger regional maps
- Consider traffic speed sign that flashes as you approach.
- Ok to fill decoy pools and edge of road to expand storage space.
- Stegve will start to build outline for narrative and regional context that makes the case for the local actions.

Community resilience Program re-enrollment -

- Lex and Lissa reviewed community actions in new list from state for CRP re-enrollment. Selected a subset to review with town officials - SB, Jim and Loren.

- Current document uploaded here, still a draft
- Lex will take Lissa's notes and draft re-enrollment self-evaluation for enrollment package. Lissa will send Lex digital copy of 2023 answers. Lex will develop first draft.
