

CDAC Meeting 3.29.23

Attendees:

Walter Fuller
Wilson Hess
Lissa Widoff
Alexis Bennett
Shawn Murphy

Agenda:

- Review, rank, and finalize our "short" List of Community Actions for the CRP grant (see attachment "List of Community Actions. . .post 3/15 mtg.")
- Review, supplement (if desired), and rank the survey categories - then align them with the List of Community Actions (see attachment "CDAC Survey Topics")
- If possible, adopt the Short List of Community Actions and the aligned projects and forward it to the grant writer(s).
- If time permits, consider selecting two representatives for a Tri-Town CRP exploration group.

Topic 1: Review Maps Shawn Provided

- Walter will pull together maps in a layered format for a holistic review of the lot - Land Feasibility Study
 - Use this in tandem with the additional input from other further testing.
 - This will allow us to put together a better idea of what is possible.
 - How does the site relate to other things nearby, keen hall, the hills to sea trail, etc.
