Meeting started 7:01 pm

Minutes from May meeting

Amended o also say the Palmer requested that the O'Herin brothers bring their plans to a planning board meeting.

Voted/approved

Buch and Graham O'Herin must put together their Subdivision Application.

Clara introduced herself to the board.

Solar Farm Update:

MaryAnn shared the Palermo ordinances with us, pointing out different characteristics in their ordinance. One surprising point is that they are taxed as farmland.

Palmer surveyed a number of towns. Lowell seem s to not want Solar Farms so their ordinance is trying to make the town unattractive to the solar farms.

Our homework is to look at some of these ordinances and come with ideas for our next meeting.

Community Development Committee.

The Skidgell property:

Will have to get an assessment of the site: Environmental study

To do this they need to hire a company to make the study
Wilson Hess, through KVCOG, is looking to see if we can get a grant for the site.

This will require Freedom to enroll in the program first.

Will also need a resolution by the town to get into the program

This will require a public information meeting.
