Good afternoon, Heather

My mother, Carrie Bennett, asked me to reach out since I cannot attend tonight's meeting. You are welcome to use this email within the meeting if you would like. I have lived on beaver ridge my entire life, and have always known the discontinued portion of beaver ridge to be used. My family and others have driven it, snowmobiled on it, walked it, and ridden horses on it. This was not an uncommonly used trail by any means, and we spent much of our free time utilizing it. The private land has been very clearly posted on either side of the trail, and my home on Bennett lane has never been disturbed by the trail users. It has been used for as long as I can remember. Please let me know if you have any further questions.

Thank you,
Megan Bennett.
