FAQ'S

COMPREHENSIVE PLANS

What is it?

A survey to collect information about our community issues in order to make better policies for current residents and the town's future. Our chance to be honest about how we feel.

Why 25% of residents?

The state of Maine says we need a 25% response rate before these answers can be used to make a change.

What happens after I answer?

This is the first step to renewing Freedom's Comprehensive Plan, which we need in order for our voices to be heard at a state level. This gives us a place to say what we want Freedom to look like as we move into the future.

How do I answer?

Each resident can answer 1 (one) time by either submitting a paper *or* online survey
