New Select Board Mandate

- \ 1. Complete Solar Farm Ordinance in the next 2 meetings
- 2. High Energy Transmission ordinance in the next 60 days

They must be a stand alone ordinance. But clarification was sought from Laura regarding this “stand alone mandate.” She said she would discuss it with the Select Board.

Solar Farm Ordinance

Select Board has not decided when the ordinance will be voted on

November 6: Special Town Meeting to vote on a solar moratorium

We will look over the solar ordinance and be prepared to discuss it at the Nov. 14 meeting

Laura will make contact with the landowners

Tyler will contact Dirigo Development about their progress

Plans for the Wind Transmission Line Ordinance Process

- 1. Health concerns (to include both human and animal)
- 2. Underground cable effects
- 3. Community Benefits packages

Upcoming meetings: Nov. 14th, Nov. 28th, Dec. 12th

Deadline for the High Energy Transmission Ordinance is Dec. 15th
